Our first visit to London since 2019, so now is the opportunity to take your pick from three famous London museums or perhaps visit two or all three. The Natural History Museum with the biggest, tallest and rarest animals: the V&A with 3,000 years' worth of amazing artefacts from around the world: the Science Museum lets you experience all the major advances in science and technology. Entry to all the museums is free but special exhibitions require additional tickets.
