An opportunity to immerse yourself in the country's rich automotive history—and come face to face with one of the world's largest collections of historic British cars. Learn more about the British motor industry and see how cars have changed through the decades as well as their role in and impact on our society. And not just of interest to the 'boys' - the museum is actively working to broaden its appeal beyond the traditional stereotypes. When you need to refuel the on-site Café serves a delicious range of hot and cold meals, snacks and drinks. Also tickets are cheaper if booked on-line before the visit.
