Summer at Kew is a special time, with every corner of the gardens alive with colour and life. From the vast Arboretum to the Alpine Rock Garden, there is something to see in every corner. At 300 acres, the Gardens cover a very large area, so if you have never done it before, you might enjoy a tour on the Explorer Land Train. Knowledgeable drivers provide a running commentary on the flora and fauna, historic buildings and conservation work. The route begins at Victoria Plaza where you can buy tickets at £6.50 and check the timetable.
