St Albans has much history behind it but also a vibrant present. So, what to choose? The Cathedral with its medieval wall paintings or Verulamium Park with ornamental lakes and Roman Museum or maybe exploring the city with its range of independent shops and the 500- year-old Charter Market? Also, there are plenty of cafes and restaurants. Please note the Verulamium site and Roman Museum are a 20 minute walk from the Cathedral. (This trip requires 10 people)
