PLEASE NOTE

If you decide to travel, then please understand that you do so at your own risk although we will take every precaution to ensure the bus is cleaned appropriately after each journey. If you have a serious underlying health condition, you should consider having your shopping delivered by FISH before making a booking. The driver will provide the usual assistance with carrying shopping bags to your front door.

You must not travel:

If you, or anyone in your household, has a cough, a high temperature, any shortness of breath, a loss of taste or smell or are just feeling generally unwell.

If you decide to travel, you must:

- Be able to get on the bus unaided and be able to fit the seatbelt yourself.
- Wear a face mask or covering at all times unless medically exempt.
- Use the hand sanitiser provided each time you get on the bus, even if you are wearing gloves.
- Follow the driver's guidance on where to sit and when to get on and off the bus.
- Try to keep as much distance as possible from others at all times.

It is hoped to extend the shopping trips in the June programme to include Reading Town Centre and Reading Morrisons. Also, to restart the leisure trips in July if the advice on social distancing has been updated to allow us to carry more passengers.
