The Royal Horticultural Society's gardens at Wisley are undoubtedly one of the finest gardens in the world. Wisley is a large and diverse garden covering some 240 acres. In addition to numerous formal and informal decorative gardens, several glasshouses and an extensive arboretum, it also includes small scale 'model gardens' which are intended to show visitors what they can achieve in their own gardens. It is the second most visited paid entry garden in the UK after Kew. All you need for a great gardener's day out plus Coffee Shop, Food Hall and Cafe.
