A lovely time to visit when it is quieter and cooler, but just as interesting and vibrant. It is usually still warm enough and Kew comes into its own in autumn when many of the hundreds of tree species are at their most colourful. The visually stunning glass artworks by Dale Chihuly are still on display in the gardens and glasshouses and are a 'must see' if you have not had the opportunity before.

West London Museums - £12

Friday 18th Pick-up at 9.15am Return at 3.30pm

Telephone 0118 972 3986

This popular trip was cancelled earlier in the year so now is a second chance to visit just one or all three famous London Museums. The Natural History Museum with the biggest, tallest and rarest animals. The V&A with 3,000 years-worth of amazing artefacts or the Science Museum lets you experience all the major advances in science and technology. Entry to all the Museums is free but special exhibitions require additional tickets. If you prefer to visit another London destination, then the nearest underground is just five minutes away.

Office Hours: Monday-Friday 09.30-11.30

Passenger lift available on all trips if required – please request when making booking
